

Welcome to

**CHARLOTTE ALLSTAR
CHEERLEADING**

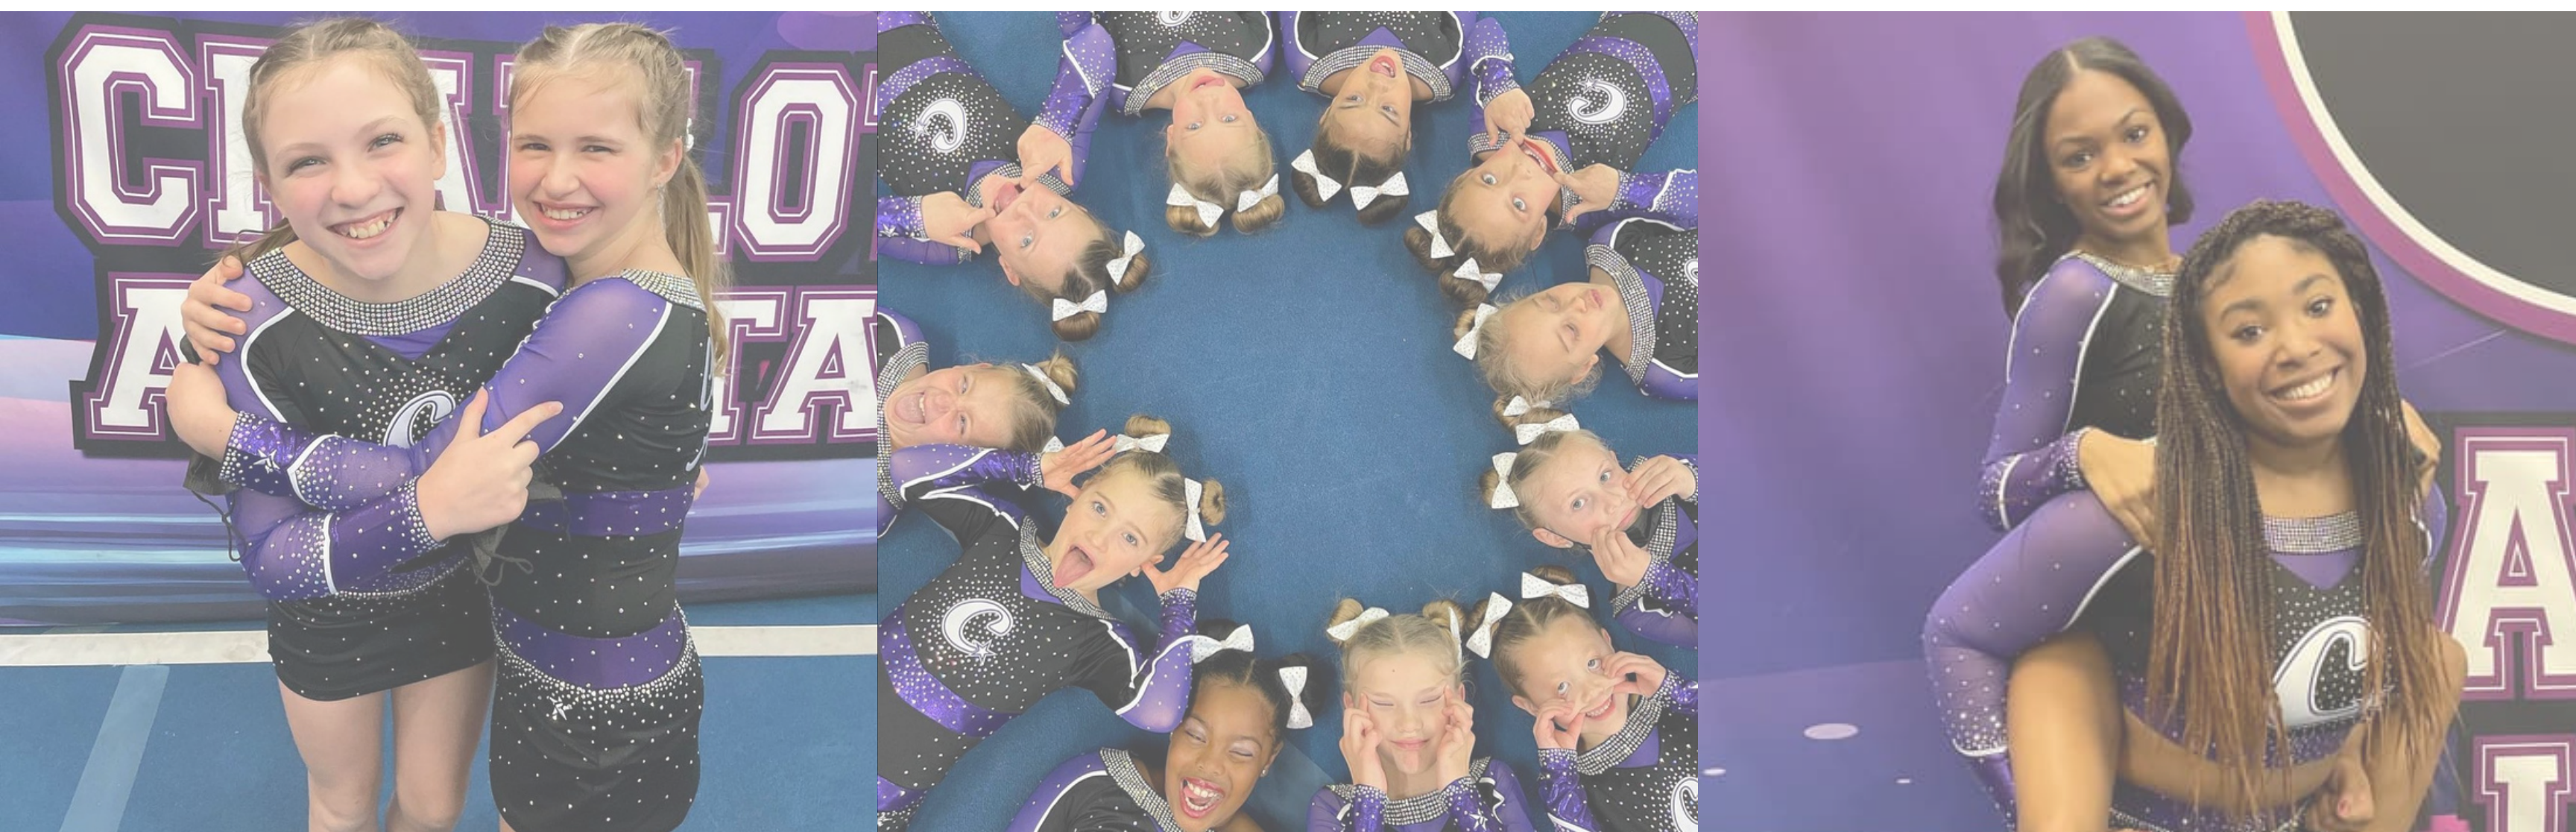

THANK YOU for your expressed interest in Charlotte Allstar Cheerleading! We are very excited to be heading into our 33rd season of business. We are proud to be the oldest Allstar Cheerleading program in the United States. CAC has created a safe space for all athletes whether they are in their first year, all the way through their 15th year. No matter their experience, our program has become a second home to over 6,500 athletes over the past 32 years.

We pride ourselves on building athletes in and outside of the gym, continuing education of our sport for all parties involved, and excelling in every competitive area.

As long as your family and your potential new Charlotte Allstar athlete desires to develop their skills, and are committed to our program... then we will gladly welcome you ALL to the CAC family!

Charlotte Allstar Tuition is all inclusive. CAC strives to give a very transparent view of all costs for our competitive cheerleading program by creating a monthly tuition that is consistent, without surprise pop up fees.

We add the majority of expenses & all instructional tuition together then divide by the number of months you have left (whenever you join till April 2023.) We have found that this monthly payment structure is easier to budget and plan for the 2022-2023 competition season.

Included in May tuition for all full year athletes:
